One more... again feel free to omit.

Peterson Ranch Mitigation Bank – This week, we will submit comments on an approximately 4,000 acre mitigation bank proposal located in the unincorporated Leona Valley in LA County CA. The bank will focus on re-establishment, rehabilitation, establisment, and preservation of alluvial floodplains, ephemeral streams, wetlands and riparian habitats in the Santa Clara River sub basin and Amargos Creek

Jason,

Feel free to ignore ... just wanted to submit something in case you think it's news worthy.

**International Conference on Ecology and Transportation** – Next week, we will submit an abstract for presentation of EPA's development of a comprehensive watershed approach and its use in determining aquatic resource impacts and compensatory mitigation needs for the country's largest transportation infrastructure project, CA High Speed Rail. Presentation will take place on Sept 28, 2015 at the biennial International Conference on Ecology and Transportation which focuses on best practices and emerging issues related to the interface between ecology and transportation. (Mahdavi 4-1830)

**Whisper Ridge Golf Resort** – We are preparing comments to be submitted next week , encouraging further impact avoidance on a revised 404(b)(1) Alternatives Analysis for a proposed golf resort, hotel complex and wellness center to be built approximately 6 miles east of the City of Oroville in Butte County, CA. In response to our Public Notice comment letter dated Nov 27, 2013, Applicant has reduced direct impacts to WOUS from its original proposal of 9.83 acres to 3.87 acres. (Mahdavi 4-1830)
